- 3.0mm = 9.0 lbs

ECO BOARD RIGID

100% recyclable and biodegradable display board. Ultra-bright 96 white point. High strength, lightweight and dimensionally stable. Double-sided print substrate. Great green alternative to rigid plastics for internal POP and Display.

The core contains at least 48% pre-consumer recycled content, making it easy to fit into standard paper recycling programs. Made from environmentally friendly wood pulp, water, and starch Eco Board is a high strength, lightweight, and dimensionally stable and comes with an ultra-bright 94 white point facer, ideal for consistent double-sided printing. Stay-flat characteristics make printing, cutting, and finishing a breeze.
